## Crime in the rural

There have been eight burglaries from outbuildings. Six of these have been in the Longparish area. Make sure that all sheds, farm buildings and storage buildings are secured in as many ways possible.

We are also experiencing a lot of thefts where scrap metal has been stolen. Please be extra vigilant and anything valuable needs to be locked away.

There has been a rise in ASB across the rural, this is expected due to the summer holidays, if you are experiencing this please report it.

If you see anything suspicious or wish to report anything, please contact **101** or in an emergency call **999**

To report anti-social behaviour and neighbourhood issues, call 101.

In an emergency, dial 999.
