Beat TA 13 – (Tangley, Hurstbourne Tarrant, Vernham Dean, Facombe & Linkenholt) PC 2911 Roger Kitson

No incidents of note.

Keep your vehicle safe

1. Don't leave items on display

Never leave anything on display when you leave your vehicle. Even an old coat or a plastic bag can tempt a thief.

2. Use immobilisers

Electronic engine immobilisers prevent your vehicle from starting and are the best way to stop thieves. They should be professionally fitted - either by your car dealer or by an installer approved by the Vehicle Systems Installation Board.

3. Park safely

When parking at home, always use your garage if you have one, and lock both your vehicle and your garage. If you don't have a garage, try to park in a well-lit, open place.

4. Car Parks

When parking outside, always try and park your car in an attended car park.

5. Buy a steering wheel lock

Use a steering wheel lock every time you leave your vehicle.

6. Get an alarm fitted

Alarms can deter thieves not only from stealing your vehicle, but also from taking items from it. You can get more information about alarms, immobilisers and other security devices by phoning the Vehicle Security National Helpline on 0870 550 2006 or the Sold Secure Helpline on 01327 264687.

7. Secure your wheels

Locking wheel nuts are cheap, easy to fit and stop thieves from taking your wheels.

8. Etch your vehicle identification number onto surfaces

Have your vehicle registration number or the last seven digits of your Vehicle Identification Number (VIN) etched onto all windows, both windscreens and your headlamps.

9. Mark your equipment

Mark all your equipment, like your car stereo, with your vehicle registration number.
